

**ASSOCIATE PROFESSORS
(TWO POSTS)
DEPARTMENT OF PHYSICS
FACULTY OF SCIENCE**

The Physics Department at UCT seeks two Associate Professors in Physics, in any sub-field of Physics relevant to the activities, interests and needs of the department. Current research, described on the Physics Department website (<http://www.phy.uct.ac.za>), involves experimental and theoretical aspects of nuclear physics, high energy physics, solid state & material physics and physics education.

Requirements:

- A PhD in Physics or a related discipline
- An internationally recognised track record as an independent researcher;
- Demonstrable ability in lecturing and supervision of postgraduate students.

Responsibilities:

- Maintain an international research profile and attract research funding;
- Supervise postgraduate students;
- Lecture to large undergraduate classes and to senior undergraduates;
- Teach and supervise junior and senior undergraduate experimental or computational laboratories;
- Give specialist lectures at the Honours level and supervise Honours level projects;
- Contribute to departmental administration and provide academic leadership in the department.

The annual remuneration package, including benefits is R516 516.

Application process:

To apply please e-mail the completed [UCT Application form](#) and all other relevant documentation as indicated on the form, to: Ms Edith Graham at Edith.Graham@uct.ac.za, Staff Recruitment & Selection, University of Cape Town, Rondebosch, 7701, South Africa.

Telephone: +27 21 650 5405 Faculty website: www.science.uct.ac.za

Download the application form at <http://web.uct.ac.za/depts/sapweb/forms/hr201.doc>.

An application which does not comply with the above requirements will be regarded as incomplete.

Reference number for this post: **2234**

Closing date for applications: **13 August 2010**
