Memorandum of Agreement Reciprocal Rights

The Australian Institute of Physics (AIP) The South African Institute of Physics

This memorandum outlines an agreement between the Australian Institute of Physics (AIP) and the South African Institute of Physics on the issue of reciprocal rights. In particular, it is agreed that:

- 1) Members of the South African Institute of Physics may submit papers to AIP meetings with the same privileges and limitations as AIP members;
- 2) South African Institute of Physics members may register at AIP meetings at member rates; and
- 3) South African Institute of Physics members may subscribe to the AIP Publications at the same rates as members.

Conversely,

- 1) Members of the AIP may submit papers to South African Institute of Physics meetings with the same privileges and limitations as South African Institute of Physics members;
- 2) AIP members may register at South African Institute of Physics meetings at South African Institute of Physics member rates; and
- 3) AIP members may subscribe to South African Institute of Physics journals at the same rates as South African Institute of Physics members.

This agreement shall commence once this document is signed by the President's of the two societies and will remain in force until either the Australian Institute of Physics or the South African Institute of Physics gives 12 months' notice of termination or a wish to renegotiate the agreement.
