International Union of Pure and Applied Physics

To stimulate and facilitate international cooperation in physics and the worldwide development of science.

Call for Nominations

The **Commission on Computational Physics (C20) of IUPAP** seeks nominations for its

2018

Young Scientist Prize in Computational Physics

Nominees should have a maximum of 8 years of research experience following their PhD and should be the principal performer of original work of outstanding scientific quality in Computational Physics. The prize consists 1000 euros, a medal, and a certificate. The awards will be made at of the Commission's next Conference on Computational Physics (CCP2018) to be held in UC Davis, Davis, CA, USA 29th July -2nd August 2018. The winner will also be invited to present a paper at this meeting. Procedures for making a nomination http://phycomp.technion.ac.il/~C20/prizes.html. are at Nominations should be emailed to Professor David Landau (dlandau@physast.uga.edu) by

March 30, 2018.

Please direct questions to David Landau (dlandau@physast.uga.edu).

Please post this announcement at your institutes and forward it to interested organizations
